

Dot Ink Technology's profile

Dot Ink Technology: Empowering Industrial Printing Solutions

Dot Ink Technology offers high-performance coding and marking equipment. We print batch numbers, dates, barcodes, and serials on diverse packaging materials.

We support manufacturers with brand-new and second-hand printers for cost-effective startup investments.

Our Vision

Reliable Solutions

Ensure dependable industrial printing performance for all environments.

Efficient Operations

Help businesses scale faster and streamline printing workflows.

Affordable Technology

Deliver cost-effective printing solutions accessible to emerging manufacturers.

Our Mission

Premium Equipment

We provide both **new** and **refurbished** printing machines meeting top standards.

Expert Support

Backed by skilled service teams to maximize uptime and performance.

Innovative Solutions

Client-centered designs to address unique manufacturing coding needs.

Market Insights

Sector Growth

India's packaging industry thrives with initiatives like "Make in India."

Regulatory Demand

QR code labeling mandates elevate batch coding importance.

Cost-Effective Automation

SMEs seek affordable tools to compete in evolving markets.

Challenges Faced by Customers

1

Equipment Selection

Difficulty choosing printers due to cost and compatibility concerns.

2

Lack of Affordable Options

Limited access to reliable second-hand printing machines for startups.

3

Inconsistent Service

Poor support and vendor unreliability undermine customer confidence.

Dot Ink Technology's Comprehensive Solutions

Printing Equipment Types

- Thermal Transfer Overprinter (TTO)
- Thermal Inkjet Printer (TIJ)
- Continuous Inkjet Printer (CIJ)
- Drop-on-Demand (DOD) Printers

New & Refurbished

Cost-efficient options backed by quality guarantees and support.

End-to-End Services

- Installation & Training
- Maintenance & Spare Parts
- Annual Maintenance Contracts (AMC)

Customized Solutions

Adapted printing on cartons, bottles, pouches, and shrink sleeves.

Industries We Serve

Pharmaceuticals

Food & Beverage

Cosmetics

FMCG & Packaging

Also serving logistics, warehousing, and labeling units with tailored solutions.

Trusted Brands We Are Associated With :

- Nilkamal
- ECOJET

Other Trusted Brands We Deal With
